Forecast for Monday 06 Sep 2021

Weather: Cloudy with light rain and drizzle overnight. Remaining grey and overcast across much of the area during daylight hours with the cloud well down, light rain or drizzle at times. However, skies should brighten over the Angus and Aberdeenshire hills with a few sunny breaks possible.

Chance of cloud free mountain/hill tops above 800m: Nil to 20% around Ben Lawers and the west. 70% by afternoon across the Angus and Aberdeenshire hills.

Visibility: Poor or very poor at any significant height in the west. Good or very good below the cloud and more widespread across the Angus and Aberdeenshire hills in the afternoon. Extensive or overcast cloud with base 600 to 900m, but nearer 300m at times around Ben Lawers and the west, particularly early morning. The cloud lifting near or above the summits in the east during the afternoon.
